

for catastrophic emergency wildland fire suppression activities on Department of the Interior and National Forest System lands, to require the Secretary of the Interior and the Secretary of Agriculture to develop a cohesive wildland fire management strategy, and for other purposes, pursuant to House Resolution 281, he reported the bill back to the House with sundry amendments adopted by the Committee of the Whole.

The SPEAKER pro tempore. Under the rule, the previous question is ordered.

Is a separate vote demanded on any amendment reported from the Committee of the Whole? If not, the Chair will put them en gros.

The amendments were agreed to.

The SPEAKER pro tempore. The question is on the engrossment and third reading of the bill.

The bill was ordered to be engrossed and read a third time, and was read the third time.

The SPEAKER pro tempore. The question is on the passage of the bill.

The question was taken; and the Speaker pro tempore announced that the ayes appeared to have it.

#### PERSONAL EXPLANATION

Mrs. DAVIS of California. Mr. Speaker, during rollcall votes No. 157 through 162, I was on a leave of absence due to the funeral of a very close friend.

Had I been present for rollcall vote No. 157 on the Perlmutter amendment to H.R. 1404, to clarify that authorized suppression activities for the Flame Fund include containment activities in response to crisis insect infestations to reduce the likelihood of wildfires, I would have voted "aye."

Had I been present for rollcall vote No. 158 on the Hastings amendment to H.R. 1404, to require advance notice, in writing, to adjacent landowners whenever the Department of Agriculture sets a prescribed fire on National Forest System land, I would have voted "aye."

Had I been present for rollcall vote No. 159 on the Minnick amendment to H.R. 1404, to require that the Secretaries, in considering severity of and threat posed by a fire for the purposes of determining whether to declare that a wildland fire suppression activity is eligible for funding from the flame Fund, take into account areas where insect infestation has created an extreme risk for wildfire, I would have voted "aye."

Had I been present for rollcall vote No. 160 on the Kirkpatrick amendment to H.R. 1404, to amend the definition of "fire-ready community" in the bill to provide that a community satisfies the definition if it is located within a priority area identified by the fire risk maps required by the bill, and meets two of the other four criteria listed in the bill for "fire-ready communities," I would have voted "aye."

Had I been present for rollcall vote No. 161 on the Goodlatte amendment to H.R. 1404, to authorize the Secretary of Agriculture to enter into sole source contracts with States to prepare and implement "good neighbor" projects on National Forest System lands, I would have voted "no."

Had I been present for rollcall vote No. 162 on final passage of H.R. 1404, the Federal Land Assistance, Management and Enhancement Act, I would have voted "aye."

#### PERSONAL EXPLANATION

Mr. PASCARELL. Mr. Speaker, I want to state for the RECORD that today, March 26th, I was detained in my district and therefore missed the six rollcall votes of the day. Had I been present I would have voted "aye" on rollcall vote No. 157 on agreeing to the Perlmutter of Colorado Amendment. Had I been present I would have also voted "aye" on rollcall vote No. 158 on agreeing to the Hastings of Washington Amendment No. 4. Had I been present I would have also voted "aye" on rollcall vote No. 159 on agreeing to

the Minnick of Idaho Amendment. Had I been present I would have also voted "aye" on rollcall vote No. 160 on agreeing to the Kirkpatrick of Arizona Amendment. Had I been present I would have voted "no" on rollcall vote No. 161 on agreeing to the Goodlatte of Virginia Amendment. Lastly, had I been present I would have voted "yea" on rollcall vote No. 161 on final passage of the Federal Land Assistance, Management and Enhancement Act.

#### AUTHORIZING THE CLERK TO MAKE CORRECTIONS IN THE ENGROSSMENT OF H.R. 1404, FEDERAL LAND ASSISTANCE, MANAGEMENT AND ENHANCEMENT ACT

Mr. RAHALL. Mr. Speaker, I ask unanimous consent that the Clerk be authorized to make technical corrections in the engrossment of H.R. 1404, to include corrections in spelling, punctuation, section numbering and cross-referencing, and the insertion of appropriate headings.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from West Virginia?

There was no objection.

#### REMOVAL OF NAME OF MEMBER AS COSPONSOR OF H.R. 1135

Mr. LATTA. Mr. Speaker, I ask unanimous consent to have my name removed as a cosponsor to H.R. 1135.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Ohio?

There was no objection.

#### REMOVAL OF NAME OF MEMBER AS COSPONSOR OF H.R. 1319

Ms. ZOE LOFGREN of California. Mr. Speaker, I ask unanimous consent that my name be removed as a cosponsor of H.R. 1319. My name was mistakenly submitted by the bill's sponsors.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from California?

There was no objection.

#### REMOVAL OF NAME OF MEMBER AS COSPONSOR OF H.R. 1427

Mr. HIMES. Mr. Speaker, I ask unanimous consent to have my name removed as a cosponsor from H.R. 1427. My name was added as a result of an administrative error.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Connecticut?

There was no objection.

#### LEGISLATIVE PROGRAM

(Mr. CANTOR asked and was given permission to address the House for 1 minute.)

Mr. CANTOR. Mr. Speaker, I yield to the gentleman from New York for the purposes of announcing next week's schedule.

Mr. CROWLEY. I thank the gentleman for yielding.

Mr. Speaker, on Monday the House will meet at 12:30 p.m. for morning-hour debate and 2 p.m. for legislative business. On Tuesday, the House will meet at 10:30 a.m. for morning-hour debate and 12 p.m. for legislative business. On Wednesday and Thursday, the House will meet at 10 a.m. for legislative business. On Friday, the House will meet at 9 a.m. for legislative business.

We will consider several bills under suspension of the rules. The complete list of suspension bills will be announced by the close of business tomorrow.

In addition, we will consider Senate amendments to H.R. 1388, Generations Invigorating Volunteerism and Education Act; H.R. 1664, Pay for Performance Act; and the fiscal year 2010 budget resolution.

Mr. CANTOR. I thank the gentleman.

Mr. Speaker, I would like to ask the gentleman if the House will begin the process of deliberating on the budget on Wednesday. Is that the planned day that we will have the discussion on the budget here on the floor; and, does he expect that debate to stretch over 2 days? And, again, if he could elaborate as to when the final vote on the budget is expected.

Mr. CROWLEY. If the gentleman would continue to yield.

I haven't spoken to the majority leader about the specifics in terms of the schedule. The intention is to finish a vote on the budget by the end of business next week.

Mr. CANTOR. I thank the gentleman.

Mr. Speaker, I would ask the further question. Does he anticipate a weekend session possibility?

Mr. CROWLEY. There is always the possibility that if we fail to resolve or come to agreement on the budget by the time we hope to before the close of business day next week, that we possibly could work into the weekend to pass that budget.

Mr. CANTOR. I thank the gentleman.

Mr. Speaker, further, I would ask the gentleman if he could tell us about the expected process of amendments, of substitutes.

How many substitutes should we expect your side to offer? Will the Blue Dogs have a substitute? Does this budget replace the budget of the Progressive Caucus that we usually see come to the floor? Will they have a need for a substitute? Just trying to get some idea, Mr. Speaker.

I yield to the gentleman.

Mr. CROWLEY. I thank the gentleman for yielding.

I have not spoken, again, to the majority leader about this specifically or to the Rules Committee chairwoman about this. I do not know at this time how many substitutes we expect to make in order. Does the gentleman know how many on his side we can expect to be submitted?

I do expect that we will complete the consideration of vote on the budget

resolution next week, and that the leadership intends to be here until we can accomplish that objective. And, yes, again, that could mean extending into the weekend.

Mr. CANTOR. I thank the gentleman.

And I could very easily tell him we will have one substitute from the minority side of the aisle, which is why I am asking how many we could expect from yours.

Mr. CROWLEY. Again, I don't have an answer for you.

Mr. CANTOR. Mr. Speaker, I would reclaim my time.

I would ask the gentleman from New York, in reference to the D.C. voting bill, what are the latest plans for floor consideration on that? And, will a second amendment protection be added to that bill? I yield.

Mr. CROWLEY. I thank the gentleman for yielding.

I know this is a priority for the leadership, and we continue to work on that. However, I do not expect it will be ready for the floor next week, nor do I know whether or not there will be a second amendment application in that bill as well.

Mr. CANTOR. I thank the gentleman.

I would ask again, are we to expect a vote on D.C. voting next week as well?

Mr. CROWLEY. As I just stated, I do not expect it will be ready for the floor next week.

Mr. CANTOR. I apologize to the gentleman; I didn't quite discern that. I thank the gentleman.

I would ask the gentleman, Mr. Speaker, about the FDA bill and the regulation of tobacco. And does he expect this bill to come to the floor next week? And in what form does he expect this bill to come, under a rule or as a suspension?

I yield to the gentleman.

Mr. CROWLEY. I thank the gentleman.

The gentleman will recall, this bill passed the House 326-102, with 96 Republicans voting "yes." The bill does have broad bipartisan support. We continue to work with Chairman WAXMAN to have this bill ready for the floor. I have not, again, spoken to the chairwoman of the Rules Committee yet as to how this bill will be brought to the floor. And it could be as early as next week, although we have no confirmation of that yet.

Mr. CANTOR. I thank the gentleman.

I would like to yield to the gentleman from Indiana.

□ 1245

Mr. BUYER. I would ask of the gentleman, representing the views of the minority leadership of the Energy and Commerce Committee and the House Armed Services Committee, that there are some outstanding issues and that the dynamic has, in fact, changed, that there are bipartisan alternatives to Mr. WAXMAN's legislation. And so what we are asking is for there to be regular order for the House to be able to work its will.
